COMMITTEE.

D. H. Murphy, of Green Ridge, Mo., joined his wife at this place last week for a visit with her parents Mr. and Mrs. J. R. Thomas. Mr. Murphy and sisters-in-law, Mrs. C. K. Jones, of Kansas City, and Mrs. W. T. Ralls, of Moberly, Mo., departed this morning for their homes.

The Kansas City Times, with its usual enterprise and liberality, has arranged with a dozen leading colleges in the west whereby they give a year's tuition with board, laundry, lights, fuel, etc., in fact all necessary expenses, in exchange for a very reasonable number of subscriptions to their paper. They have prepared a circular giving full information as to the number of subscribers required to secure this scholarship, which they will send out to any one who makes application.

The Times is so well known that we think it would be an easy matter for any ambitious young man or woman to secure a scholarship in this way.

A exchange tells the following story of a judge who lately had the hypnotic plea raised before him by a burglar. The prisoner claimed that he did not know that he was "burgling," and that he did it automatically and unconsciously under the direction of a hypnotist. The judge said he would give him the full benefit of the law, and also of his hypnotic misfortune. He therefore sentenced the man to ten years in the state prison, but told him if he chose, send for the hypnotist and have himself made unconscious for the term of his imprisonment. "The same power, said the judge, which enabled you to commit the burglary, and not know it, ought also to enable you to suffer imprisonment with hard labor and not be aware of it. At any rate that is the best I can do for you."

To giving the picnic on July 4th at Hult's Grove the Band is endeavoring to raise funds to purchase instruments, music etc., but they desire everyone to understand that while they are endeavoring to raise money they will sell everything at reasonable prices, and the dance will be charged for at the usual rates. Drinking water will be furnished free on the grounds so that none will be compelled either to purchase refreshments or go thirsty. They will endeavor to give a picnic that all may enjoy, and desire to win your friendship and esteem. Beaver county is now recognized as having one of the best brass bands in the Territory, and with a little assistance will have one of the best in the West. This is the first time they have asked assistance, and they intend to give you value received for every dollar expended with them.

The WESTERN TRAIL is published quarterly by the CHICAGO, ROCK ISLAND & PACIFIC RAILWAY.

It tells how to get a farm in the West, and it will be sent to you gratis for one year. Send name and address to "Editor Western Trail, Chicago," and receive it one year free.

GREAT ROCK ISLAND ROUTE

TO THE EAST.

BEST DINING CAR SERVICE IN THE WORLD.

The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved patterns.

Faithful and capable management and polite, honest service from employees are important items. They are a double duty—to the Company and to travelers—and it is sometimes a task difficult of accomplishment. Passenger on this line will find little cause for complaint on that ground.

REMEMBER

The Great Rock Island Route runs all regular trains to Englewood, suburban station, close to World's Fair grounds, and you can save time and trouble by getting off at that point and avoid the crowd in the city.
